

## Grading 2021

All players participating in the Under 9 to Cadet competition for Kissing Point Netball Club in 2021 are required to attend grading to choose the most appropriate team for each player. **All players are to attend the grading session for their age group, which is the age turned in 2021.** If KP graders require any players to attend a different session they will be advised.

**All players should attend both grading sessions to provide the best possible opportunity to place players in appropriate teams. Please wear appropriate clothing and bring water.** Please arrive promptly to ensure that all players have maximum court time for grading.
