

Grading 2022

All players participating in the Under 9 to Cadet competition for Kissing Point Netball Club in 2022 are required to attend grading to choose the most appropriate team for each player.

All players are to attend the grading session for their age group, which is the age turned in 2022. If KP graders require any players to attend a different session they will be advised. Please ensure that your child is registered before grading and that you have filled in their two preferred positions to play, as these are the positions they will be placed in at grading.

All players should attend both grading sessions to provide the best possible opportunity to place players in appropriate teams. Please wear appropriate clothing and bring water. Please arrive promptly to ensure that all players have maximum court time for grading.

All grading will be held at Canoon Rd Courts.
