2022 Fees

Fees look slightly different on the registration form this season, as they broken down into the four components: Netball Australia, Netball NSW, KNA and Kissing Point. Netball NSW and KNA fees have increased slightly, however the only increase we have made to KP fees is to include the credit card fee in the upfront amount, rather than having it be added later.

Fee totals for this year are as follows:

Player 18 years and over: \$280

Player 11-17 years: \$250

Player 9-10 years: \$245

NSG player 6-8 years: \$235

We have added links below with support documents for setting up your new account and registration if needed.

Please ensure you put your Team Manager in the space provided so you can be allocated to the correct team (seniors only).

If you are new to KP & looking for a team please contact me on registrar@kissingpointnetball.com.au.
